

How to choose the size OF YOUR BRACELET

- Woman -

Don't hesitate to contact our Customer Service so that we can adapt the bracelet to the exact measurement above 18 cm and below 14 cm.

You can also specify the size by leaving us a message when confirming your order.

Print the attached document in A4 format in 100% real size and cut out the measuring bracelet. Place the bracelet around your wrist to read your size. Be careful to take into account the way you want to wear your bracelet.
